The MONTH of NOVEMBER .. ALL MONTH!

Hi friends,

I am driving for Veterans and specifically to prevent suicides! Would you consider donating on my behalf to these two organizations, Victory For Veterans Foundation and Team Veteran Foundation, helping them achieve the goals to reduce this epidemic of suicides!

For the month of November, I am driving in support of these organizations and hope to raise as much money as I can for them.

Your donations are tax deductible and you can easily register and donate at the following, fully secure site. When you register please find my name in the team code section.

Thank you for joining me in support of these great Veteran Organizations!

Also, just so you know, if I am lucky enough to be among the top five contributors who raise more than \$1k, thanks to folks like you, I can win an iPad or iPhone...

Sincerely,
Your transportation expert
